

## Well Known Tours

Ecuador has great tourism potential and its success lies in its two pillars of strength- nature and culture. The campaign theme of the Ministry of Tourism of Ecuador is "Ecuador is you. How being a good tourist and a host", said by the minister of tourism Maria Isabel Salvador. This campaign has brought the federation of tourism chambers of the country together which includes the association of hotelkeepers of Ecuador, the association of travel agencies and a host of other agencies to exploit the tourism potential of the country. There are several famous tours and travels in Ecuador like, Andes Ecuador, Flash Tours, and spring travels. Details Andes Ecuador is a luxurious tour operator which is based in the capital city of Quito. It is said to be the gateway of high quality service in the country. The agency shares the most complete travel information which includes guides to explain the visitors of the specific meaning and significance various places. A special feature of the agency is a private dining with the owner of the operator. Over the decades the agency has built up a name for themselves in this business. It is the only operator which offers strict and genuine tours for religious visitors. Various features like day tours and lodges, Ecuador tour packages and attractions like visiting greatest museums of Latin America, Otavalo and Cotopaxi national park are present. The spring travels is an outstanding agency which offers warm and friendly services which makes the stay of the travelers memorable. The tourist package of this agency is excellent which includes visits to the Galapagos Islands with air tickets for 4 nights, transfers between hotel and airport and vice versa, breakfast, visit to the turtle bay, the highlands, the jungle and the coasts. It includes stay in the best hotels which includes budget, medium and big hotels. Conclusion Flash tours is said to be the voice of authority among the association of travel agencies in Ecuador. It offers Galapagos Yacht tours or day tours to choose from. Flash travel Inc also organizes private or group cruises. This agency is a specialist in fully escorted deluxe tours in the Galapagos Islands and the great Andes of the Equator. Flash travel is the only operator to hold a Certified National Naturalist 2 & 3 guides. There is a better appreciation of national parks in South America and merry welcome to tourists from all cultures. The high standards of customer service and honesty makes this it a sought after agency in Ecuador. The Galapagos Islands with a national park, marine reserve with profusion of fish and widespread animals like gigantic tortoise and Antarctic penguins can not be rivaled. A yacht with luxurious style leaves every weekend for the exotic Island. There are options to choose from best 10 yachts or the most wanted yachts. The agency provides facilities for having Galapagos experience within the confines of the rooms in Puerto Ayora. Tours to national parks, museums are a special feature of these tours. Package tours are also available.
